About Gurudeva Trust

The Gurudeva Trust started its operation in Erickavu village near Haripad in Alappuzha District in 2004. Over the years, the Trust has established a strong base providing an array of services that benefit the society in many ways. This has helped the Gurudeva Trust to become a major institution and gain widespread recognition in various fields for the work been done for the greater good. The Trust has under its management various companies and organizations including Gurudeva Finance Investment Company, G.D. Blocks, Gurudeva Transporting, Gurudeva Constructions, Majestic Tiles, G.D. Tours and Travels, Koppareth Higher Secondary School, Gurudeva Trust Higher Secondary School, Gurudeva Trust Central School and Gurudeva Microfinance Institution. All these organizations are under the Gurudeva Trust.

The successes we have achieved in running these institutions and businesses has given us the confidence to start working on more ventures which includes dairy farm, mineral water unit, soft drinks unit and a play school. We are also planning to start a central school and an orphanage home in Karuvatta.

We pray for the heavenly blessings of Gurudevan and the continued support of our patrons for the success of the present and future ventures.

Services

We have been successful in launching and operating various ventures. We are very proud to be one among the few in mitigating the severe unemployment crisis of our times by providing employment to hundreds of people in the various ventures of the trust.

Current Ventures

G.D Blocks

G.D. Blocks is the first business venture of Gurudeva Trust. The unit manufactures high quality cement blocks that are supplied to many construction projects. Our blocks were used in the construction of many prestigious projects and we have earned wide recognition for the quality of our products. We continue to maintain these standards while delivering our products to our customers.

GURUDEVA Transporting

The trust started Gurudeva Transporting with one vehicle in 2005 and we take great pride in the

fact that we could expand our fleet to more than 40 vehicles as of now which includes vehicles for transporting materials to construction sites and earth movers that are deployed in these sites.

GURUDEVA Constructions

Gurudeva Constructions is a PWD – A Class licensed contractor and undertake roads and bridges construction works from Public Works Department. We have earned a good reputation for the quality and timely completion of works in the various projects we have undertaken.

MAGESTIC Tiles

In the short time since its inception, Majestic Tiles has earned a reputation for quality and innovation in design while manufacturing Interlock and Designer Paving Tiles. Our product portfolio consists of more than 20 designs in 7 colours and our plant has a manufacturing capacity of 6000sq.ft. per day. The quality of service that we provide to our customers has helped us to become the leading brand for quality paving tiles.

G.D Villas & Real Estate

KOPPARETH Higher Secondary School

The trust took over the ownership of the Koppareth High School that is more than 100 years old and has a great tradition for providing quality education in Kayamkulam Puthiya Vila. In the short time since the trust started it, the school has got a complete facelift. The academic performance of the students have improved across all classes from the 1st to the 10th standards and the school is now achieving 95% pass rate in SSLC exams including a number of students scoring A+ grade.

The school has now started a higher secondary science batch and will soon be starting a commerce batch also.

Gurudeva Central School

The Gurudeva Central School runs classes from LKG to 5th standard. The school is progressing towards becoming a major institution. The trust is now concentrating on adding to the infrastructure and facilities in the school campus.

G.D Tours & Travels

G.D. Tours & Travels has a fleet of luxury vehicles and has recently added to it AC and non-AC buses with most modern facilities. The firm provides quality tour services with its fleet of vehicles of all sizes and experienced staff.

G.D Finance

The firm is a boon to the local populace as it provides microfinance lending services to people in need. The loans are offered with flexible options and attractive interest rates.
